organised dog show

“Diana Cup 2014”

27th of July, 2014

Ādaži, Latvia

JUDGE: László Erdős, Hungary

The „dog” is part of my everyday life for almost 40 years. I got started with owning, breeding and racing greyhounds. My best remembrance attached to Helsinki, where my dog was FCI Greyhound Racing World Winner in 1994.

I have been judging dogs for almost 30 years. Since that time I have been owning also short haired Magyar Vizsla and breeding them until 1986. We had been breeding a lot of Europe and World Winner Hungarian Vizsla.

I judge at numerous FCI National, International and Club Shows hunting dogs, I have judged them also at the FCI European Show and at the FCI World Dog Show. I was President many times some of the Breedings Clubs (Sighthound club, Sleddog club etc)

In this time I am Member of the Hungarian Kennel Club’s Judges Committee Presidium.

It’s a pleasure for me to judge all breeds of the hunting dogs and I feel honored to receive this invitation to judge at this special show of hunting dogs in Latvia.

Dear owners, breeders and friends, I wish You All continued success also for the future with your hunting dogs.

Yours sincerely,

László Erdős
